Procedure for **Partner & Family** (spouse or dependent of a Full member), **and Clubhouse membership** is as follows:

Upon receipt of the above forms and payment of the entrance fee, a time will be arranged for an interview. At this interview, you will be given some details on the Club, expectations of members and we will give you the opportunity to ask questions. Following the interview:

- 1) Full, Country, Partner, Family and Clubhouse 'Nominations for Membership' will then be displayed on the Club notice board for 14 days as required by the Club's Constitution.
- 2) Upon payment of all applicable fees - Full, Country, Partner, Family and Clubhouse nominations will then go to the next General Committee Meeting for approval.
- 3) After approval, you will be notified of the result and your membership card, fob & key will be available for you to collect from the Administration office.
- 4) If you wish to apply for a marina berth, the Marina fee of **\$1,260.00** is a one-off non-refundable fee and does not include any berthing fees. All boats will be inspected by the Marina Sub Committee for sea worthiness before any application for a berth will be considered. The Marina Sub Committee meets regularly to assess the needs of the boat owners to the most efficient use of the limited berths. Whilst the Marina Sub Committee does not guarantee a berth, they do try to meet all applications in order of the Marina Waiting List as soon as an appropriate berth becomes available.

I trust that this brief outline is adequate, however, any other enquiries can be directed to the Club Office. I look forward to receiving your application in the near future.

With kind regards,

Mark Rindfleish
Hon. Secretary
