

Casual Berthing Conditions:

I/We, the undersigned, acknowledge that we have been granted a casual berth at this marina and as such will comply with the following conditions:

- Berths are allocated on the condition that they can be vacated at a 24 hours notice, if required.
- If our vessel is not moved within this time, the Club will engage the services of a contractor to move the vessel, **at our expense**.
- It is our responsibility to ensure that arrangements are already in place, to effect this movement, if we are not able to attend to the matter ourselves.
- The permanent berth holder's mooring lines will not be adjusted in any way.
- A copy of our current boat insurance policy has been presented to the club.

I/We further acknowledge that these conditions are in addition to the existing Club rules, already in place and detailed in our copies of the Constitution and the By-laws. Further copies of which can be supplied to us, upon request to the Club.
