Royal Victorian Motor Yacht Club

By Laws

These By-Laws are made under the Royal Victorian Motor Yacht Club Inc. Rule 26(2).

Definitions

“Boat Owner” as per the definition contained in the Rules of the Club.

Club House, Premises, Yard, Jetties & BBQ

1. Persons who are not members are not entitled to admission to the Club premises, unless accompanied by and signed in by a member.
2. Only members and staff cars may be parked in the inner Club Yard in the defined areas when they are attending the Club to use their boats or to utilize Club facilities. It is not acceptable to use the Club for long term storage of cars. Visitors’ cars may be parked in the top yard as marked. Cars must not be driven over 8kpm.
3. Members are requested to assist the Committee in preventing the admission of non-members who are unaccompanied by a member other than those attending a function or visitors dining. Club access keys and fobs are issued to Members for their personal use only and must not be loaned to others. Trades people needing access to the Club yard or marina must register with the Club office. Where access is required outside business hours, this access must be provided by the Member requesting the trades person’s attendance. Visiting boats may be provided with an access fob which should be returned to the office on departure or placed in the drop box provided.
4. Members should carry their Membership Card to produce if necessary.
5. Members introducing visitors shall remain in their company during their visit. No individual visitor may be introduced to the Club on any more than 5 occasions in any subscription year.
6. Children are only admitted to the Club premises when under the close supervision of a member.
7. Visitors must not at any time bring a dog onto Club Premises.
8. Members bringing a dog on to club premises must do so on a leash and remain in the physical control of the member at all times except when adequately tethered in the area nominated by the Committee from time to time. Dogs are never permitted inside the Clubhouse. Dogs must not be exercised on the lawns. Any droppings must be cleaned up by the owner of the dog.

9. Papers or Magazines belonging to the Club must not be removed from the Clubhouse, and must be returned to their respective place after use.
10. The Club premises shall be kept in a clean and orderly manner.
11. The Club Keys are the property of the Club, and no member or non- member shall use any key that has not been issued by the Club. Members who resign, allow their membership to lapse or whose membership is terminated for any reason must immediately return to the Secretary all keys and other access cards granted to them.
12. The Club House, yard, marinas and Lockers shall be used by members only, subject to any By-Laws made by the Committee. Provided that on request in writing by the Secretary, the owner of any gear or article left therein shall remove same within a reasonable time to be fixed by the Committee. Upon default the Committee may cause same to be removed to any place at the risk and expense of the owner without being liable for any loss or damage occasioned thereby.
13. Any gear or article left in the Club premises for more than three months, and for which the owner cannot be found, shall be forfeited and may be disposed of by order of the committee after one month's notice posted on the club House Notice Board. The proceeds to go into the Club's funds.
14. Members, their employees or contractors, who are engaged in any activity on the Clubs premises shall promptly remove all scrap or waste material, including engine oil and batteries, generated by these activities. This includes all waste that is generated from boating or barbeque activities. All waste is to be deposited in the appropriate bin for recyclables or garbage, or in the case engine oil and batteries placed in the designated area. If such scrap or waste material is not promptly disposed of in the appropriate manner, then the Club may, at its discretion, arrange for the clean-up and disposal of all such scrap and waste material and pass on all associated costs to the responsible boat owner or members account.
15. The Club premises must not be unnecessarily obstructed with equipment, gear or materials. If stored, these items must be placed in lockers or removed from club premises.
16. Members shall on request of any member of the Committee, remove any Spars, Sails Gear or other equipment from the Club's premises.
17. Where Lockers are provided by the Club, applications for their use will be submitted to the Committee or its delegate annually and be allocated to members by such delegate for a charge to be fixed by the Committee. Lockers are to be used for their respective purposes only and the storage of any hazardous material in same is prohibited. The Committee may at any time terminate the letting of a locker or require it to be opened for inspection. Lockers must not be allocated to members without a boat.

18. All Motor Yachts, Dinghies or other property while at the Marinas, in the Yard or Club premises are at the owner's risk. The Club accepts no responsibility whatsoever for such Motor yachts, Dinghies or other property.
19. Electrical equipment shall be used as follows:
 - (1) All electrical equipment used on the Club premises must have a current Test and Tag certificate.
 - (2) Only protected lights are to be used on Club premises and the electric power must not be interfered with.
20. Jetties are to be kept clear of all refuse, litter and unused material or equipment.
21. Any Member wishing to hold a function at the Club must apply through the Club Office.
22. The BBQ area at the Club is intended to be used by Members and their guests. All bookings for self-catered functions in the BBQ area should be made through the Club office and each such function is limited to a maximum of 36 guests. The BBQ area cannot be booked exclusively for any single function by a member. Members who hold a BBQ area self-catered function are responsible for the cleaning and restoring of the area to an acceptable standard. This is to be done immediately following the function and not left until the following day.
23. Members are requested to use their best endeavours to secure the observance of all rules and By-Laws, and to report any breach thereof to the Committee.

Club Yard

24. The Club Yard shall be used by Members only, subject to any By Laws made by the Committee. Provided that the use of the Yard and any Club Stand involved shall be subject to the express condition that the owner (as defined in the Club's Rules) or member in charge of any boat using the same shall, on request by the Secretary, remove their boat, together with all gear within a reasonable time to be fixed by the Committee. On default the boat and gear may be removed away from the Club Site at the risk and expense of the owner, and neither the Club nor Committee shall be liable for any loss or damage occasioned by any such removal.
25. Any Members boats whilst occupying space in the Club Yard will be charged at a rate fixed by the Committee.
26. Private cradles/stands for use in the Club Yard shall not be built or used without permission of the Committee.
27. The allocation of space in the yard shall be at the discretion of the Committee.
 28. The Club reserves the right to remove any boat in the yard to any position when it is necessary to facilitate the most expedient use of the yard. Such movement may be at the owner's expense.

29. Under no circumstances is sandblasting permitted in the Club Yard. Spray painting and soda blasting are only permitted after receipt of approval from the Committee.
30. Slipping, traversing and blocking off of boats shall be by arrangement between the boat owner (as defined) and the boat lift management.
31. Removal of weed and shell from slipped boats must not be done in the yard.

Club Marinas

32. Any boat owner intending to dispose of, substantially alter, or to substitute a boat, is required to give notice to the Secretary of such intent one month prior to doing so.
33. In cases where a boat is owned by more than one person the Committee may, at its discretion, require the owners to provide written proof of the ownership arrangement.
34. Only vessels registered in accordance with the Marine Act 1988 and any subsequent corresponding Acts or amendments will be accepted on the Club Boat Register.
35. Allocations of marina berths on an annual or temporary basis shall be restricted to vessels which have been accepted in the Club Boat Register in accordance with Rule 37 and Rule 38.
36. Marina berths:
 - (1) Applications for allocation of marina berths shall be submitted in writing to the Secretary.
 - (2) Such application shall provide details of the vessel's name, overall length, beam draft and whether single or twin screw and will include a recent photograph of the boat.
 - (3) The application will be accompanied by a non-refundable deposit as determined by the Committee.
 - (4) Such application will include a signed undertaking by the owner/s of the vessel to the effect that the terms and conditions under which marina berths are allocated have been received, read, understood, and agreed. This undertaking will be retained by the Secretary.
 - (5) A Member may apply for a marina berth prior to purchase of a vessel and such application shall clearly state that the vessel has not yet been purchased and will include details of the intended style of the vessel including the approximate overall length, beam and draft and whether twin or single screw.
37. Where marina berths are not available for immediate allocation, applications which have been correctly lodged as above will be recorded, in date received

order on the Club Marina Waiting List and displayed on the Club Notice Board.

38. As a marina berth becomes available the Committee may allocate same to the first vessel of suitable dimensions listed on the Club Marina Waiting List.
 - (1) In cases where an existing Member purchases a new boat that necessitates a change in berth size, that Member may, upon submitting the required Application for Allocation of a Marina berth, be placed at the head of the waiting list subject to the discretion of the Committee. In such cases the Member must have held their existing berth for a period of not less than 12 months and the aforementioned berth must be returned to the Club prior to the allocation of the new berth.
 - (2) As a Marina Berth becomes available the Committee may allocate same to the first vessel of suitable dimensions listed on the Club Marina Waiting List except that Members who are on the Waiting List and have not yet advised the Club of the purchase of a vessel shall not be eligible for a berth allocation at that time.
39. Where a marina berth has been allocated on an annual basis, marina fees at an annual rate as determined by the Committee shall be payable half yearly in advance.
40. Where a marina berth has been allocated on a temporary basis, marina fees at a rate as determined by the Committee shall be paid on presentation of accounts.
41. Owners of vessels allocated temporary marina berths are required to remove their vessels immediately on receipt of a request by the Committee or its representative.
42. No vessel, other than those allocated annual or temporary marina berths, shall occupy a berth without the prior approval of an officer of the Club or the Duty Officer of the day.
43. A daily charge as determined by the Committee may be made in cases where a member or other persons berth any vessel without authority at the Clubs jetties or marinas.
44. Charges for overnight or casual berthing may be made in cases where a member or other persons berth any vessel without authority at the Club jetties or marinas.
45. Members allocated an annual or temporary marina berth shall occupy same under the following conditions:
 - (1) They shall not cause any vessel other than that registered in his/her/their name on the Club Boat Register to occupy the allocated or any other marina berth without the prior approval of an officer of the Club.
 - (2) They shall indemnify the Club in writing against any damage to any vessel registered to him/her/them or under his/her/their control.
 - (3) They shall not transfer or assign an allocated berth to any other person.

- (4) They shall make themselves available from time to time, or make such other necessary arrangements, to permit the Committee or its representative to inspect the fire-fighting, safety and communication equipment fitted or carried aboard his/her/their vessel and produce such evidence that such equipment, where appropriate, has been assigned a current test certificate or licence.
 - (5) They shall berth his/her/ their vessel as prescribed by the Committee.
 - (6) They shall refrain from modification or installation of fixtures, fittings, jetty piles, or moorings, unless given written approval by the Committee.
 - (7) They shall provide, use and maintain such berthing lines, and shock absorbing springs, as prescribed by the Committee.
 - (8) They shall make separate application to the Committee for approval to connect power to his/her/their vessel. The Committee may require any such applicant to provide details of all appliances on such vessels and their intended use.
 - (9) They shall provide annually, concurrent with renewal of club membership, details of his/her/their vessel as required by Rule 37.
 - (10) They shall keep his/her/their vessel in a sound, presentable, and seaworthy condition.
 - (11) Failure to comply with any of these conditions in this By-Law may require the owners to remove his/her/their vessel from the Marina.
46. No marina berth or swing mooring allocated to a vessel under the Club Rules or By-Laws may be transferred, assigned, sold or otherwise disposed of except by the Committee.
 47. Where a vessel is sold the allocation of the berth remains with the owner/s of the vessel for a period not to exceed one year following the sale of the vessel, provided the owner/s pay the marina fees for this period. The berth may be re-allocated after this period, the allottee being entitled to a pro-rata refund of such annual marina fees as may be appropriate. Refunds shall not apply to temporary marina monthly payments.
 48. Where a member sells a vessel which has previously been allocated an annual marina berth and he/she intends to acquire another, he/she/they shall provide an application for a marina berth to the Secretary and be placed on the Club Marina Berth Waiting List as of that date of the Member's first approved application for a marina berth. No further marina deposit is required in this instance.
 49. In the event that the owner/s of a vessel to which a marina berth has been allocated fails to comply with the Club Rules or By-Laws the Committee may withdraw the marina berth allocation and call on the owner/s to remove his/her/their vessel from the club within seven days of notice to quit having

been posted to the address recorded on the Register of Members, subject to disciplinary action having been taken under the Rules.

50. Where a marina berth allocation has been withdrawn, no refund or rebate of marina fees shall be made by the club.

Visiting Boats

51. Visiting boats:

- (1) Visiting boats may only moor at Club marinas and jetties with approval from an Officer of the Club or Duty Officer of the day. Prior arrangements should be made where possible.
- (2) Visiting boats should tie up at the visitor's berth and immediately contact the Club Officer for a berth allocation.
- (3) No visiting boat shall tie alongside any other boat without the express permission of the owner and the duty officer of the day.
- (4) Club access key will be made available on payment of a refundable deposit of \$50.00 and the name of such depositor entered in the ledger kept for this purpose.

Flag officers shall always display their flags when aboard their boats.

Flag Etiquette

53. Flag etiquette:

- (1) Members should fly the Club Flag on all occasions when the vessel is in commission and should be careful to fly only the proper flag and in correct position. A vessel is considered in commission, for the purpose of these By-Laws, when being used.
- (2) The Burgee should be flown by all vessels-and may be flown without the Ensign.
- (3) ENSIGN:- A boat on the club Boat Register may at specified times fly the Australian National Flag, the Red Ensign or with approval, the Victorian State Flag or Blue Ensign. The Ensign should never be flown without the Burgee being hoisted. A defaced Ensign should only be flown by boats under the Admiralty-Warrant.
- (4) FLAG POSITIONS:- (These positions only apply to motor driven yachts and small boats. NOT TO BOATS UNDER SAIL.)
CLUB BURGEE: Dinghy or speed boat:- on a small staff at the stem head or bow. Motor Yachts with one mast:- at the masthead. Motor Yachts with two masts:- at the foremost head.
ENSIGN: The Ensign is hoisted on a flagstaff at the stem of power boats.
OWNER'S PRIVATE FLAG OR RACING FLAG: On Motor Yachts these flags shall be flown midships.
- (5) TIME FLAGS SHOULD BE HOISTED: All flags at 0800 hours until sunset (on no account should they be left up at night). The time should be taken from the senior officer present at the anchorage, or if no officer present from the ships mate. Flags may be hoisted on a Motor yacht when entering or leaving port before 0800 hours or after sundown if it is light enough for them to be seen, and lowered when the yacht has anchored. The order of hoisting is as follows: UP: Ensign 1st. Club Burgee 2nd Private flag 3rd
DOWN: Reverse order, viz. Private flag 1st Club burgee 2nd Ensign last.
- (6) ABSENT FLAG: Blue rectangular flag flown from main starboard crosstrees or at that position, and is only used when the owner is absent, and the motor yacht is at anchor.
- (7) MEAL FLAG: White rectangular flag is flown from the main starboard crosstrees or at that position, it denotes the owner is at meals, and is only flown when the Motor Yacht is at anchor. (Boarding a motor yacht when this flag is flying is considered very bad form).
- (8) MOURNING: The Ensign only is half-masted. All flags should be masthead before being lowered and saluting with the Ensign at half- mast; it should be mastheaded, then dropped to the salute, then mastheaded again, and then lowered to half-mast. Flag Officers; Ensign and his rank should be half-masted on his motor yacht. Death on board Motor Yacht: All flags

should be half-masted until the coffin leaves the Motor Yacht, except when the Ensign only should only be half-masted. (except in the case of Flag Officers). Duration of Mourning: From 0800 hours to sunset on each day that the mourning is ordered.

- (9) FLAG SALUTING: Salute by dipping once to a Royal or Vice Royal yacht or boat with a governor on board, warships, the senior officer's flag present, foreign war-ships, merchant ships flying the Blue Ensign. All ships when passed at sea, colours should be hoisted, and if dipped should be acknowledged. Flag Officers of Club's when passed at sea, should also be saluted. It is also courteous to salute a Flag Officer of a club on the first meeting during the day on ceremonial occasions. All Motor Yacht Club and Royal Club's, when visited should be saluted.

Method: Lower Ensign from the masthead to below the half mast position, and when answered by the vessel saluted by lowering of its flag to the same position, re-hoist your flag to masthead.

- (10) The following flags must not be flown without authority; Royal Standard, White Ensign, Union Jack, or Australian Blue Ensign Defaced.

Gun Salutes on Ceremonious Occasions

54. Commodore, 11 guns, Vice Commodore, 9 guns, Rear Commodore 7 guns, The Ensign should always be hoisted during a gun salute. A Commodore saluted by a Vice Commodore would reply with 9 guns.
